Keith Mayers is a resident of Grace United Church, Brampton, leading worship services and participating in musical presentations over the years as a soloist and choir member. Keith pursued the call to leadership and service, completing the Licensed Lay Worship Leader Training with the United Church of Canada. Upon completion, Keith embraced the privilege of leading worship services and joining fellowships with many United Church congregations. Keith works full time for Metrolinx, the agency of the Government of Canada in the information Technology field, while enjoying his call to serve in Lay ministry and the need for workers in God's vineyard. Keith brings greetings from his wife Camilla and children of four, who strongly support his faith journey.

Looking for help!

We want to offer some support for children during the service over the summer months. We need two people per Sunday, and books, craft materials, some DVD's etc. will be available. Please see the sign-up sheet in the narthex if you are able to help for a Sunday or two.

Summer reading Series!

Another reading opportunity for anywhere you happen to be during the summer months! *Praying through the Bible* is being developed, and booklets will be available by next week, and on-line shortly after. In-person gatherings to enhance the series are planned for July 14th and 18th, and August 11th and 25th, 7 pm, location to be announced.

CPR and AED Course Interest

One of the time and talent ideas was to have a CPR and AED course. It has been quite a while since we got the defibrillator, and I saw a need for training in addition to moving it to a more accessible location at SUC. Ontario Health at Home offers a great program that would fulfill this need.

What we need to know is who is interested in which format and when from the congregation and community around us. Registration with payment must be made at least a month in advance. They offer evenings, Saturday and Sunday. If full day, they can do 2 evenings.

There must be a **minimum of 10 people** to have this event on site.

The **cost per person is \$99 plus HST for half day** and **\$159 plus HST for full day**.

Suggest there are three courses available to use:

- (1) a full day CPR and AED no reading
- (2) half day e-book in advance of course CPR and AED
- (3) full day first aid, CPR and AED with e-book.

I will have a signup sheet in the Narthex until June 15, or you can contact me at marthaheeney7@gmail.com. We are planning on mid to late September and once we get interest and timing hope to book by end of

Courtyard Updating Project - This will start on Monday June 2nd, and is expected to last about 2 weeks. The interlocking stone will be replaced. Playground mulch will be installed in the Montessori play area. Sod will be installed in the area next to the office at the end of the summer. Access to the church from the parking lot will be restricted for the next two weeks to the door at the elevator entrance. Thank you to UCW and Willowtree Montessori School for generously financing most of this project.
